Best Independent Lift Company - UK

The East Anglian Lift Company Ltd is a leading independent company dedicated to supporting customers with all of their lift needs. Director, Robert Howe, talks us through how the firm's commitment to providing the very best products and services is key to their success.

The East Anglian Lift Company only offer top quality products with proven reliability whilst remaining competitively priced. Priding itself on delivering the highest possible level of service, the firm has been working with some of its clients for over 15 years. This repeat business is testimony of the dedication to customer satisfaction that the East Anglian Lift Company demonstrates. Their clients include, University of Cambridge, Greene King, SCC, Anglian Home Improvements, Kingsley Healthcare, Cambridge Assessment.

Robert explains that "here at The East Anglian Lift Company, we will always do the utmost to meet our customer's needs. We will work with our customers to find the best solution for their lift requirements and talk through all the possible options such as, finishes, colours and materials, making sure the finished installation provides them with the best possible product and result. We are able to offer many types of lift installation, including the standard specification through to bespoke sizes to fit minimal space, when available."

The East Anglian Lift Company is a supplier of 'Gebhardt' Goods Lifts, renowned throughout the industry for their impeccable reliability and high build quality.

In recent years, since the Disability Discrimination Act (1995), and now The Equality Act (2010), East Anglian Lifts has progressed well within this fast paced and competitive industry. The firm takes great pride in providing a service to all sizes of company, as well as individuals.

"Looking ahead, we are excited to announce the launch of our new, 'state of the art', website. This will be far more interactive and will include a technical download area, testimonials, together with news and information on the latest products from within the lift industry. We are also offering a single-phase passenger lift with speeds of 1 m/s!"

"It's not every day you buy a lift; therefore, please contact East Anglian Lifts with any questions you may have, or if you would like a quotation."

Example of a Recent Installation

Anglian Home Improvements were looking for a 2000kg goods lift with a large car, 2.8m wide x 2.8m deep, the lift car and doors were also specified to be 3m high! East Anglian Lifts installed a Gebhardt Goods Lift, and not only were they able to meet the specification, they also met the tight timescale and the project was delivered, well within budget!
